

## Welcome to ALT's Elluminate service

### Access to ALT online sessions

If you are trying to join an online session, please refer to the joining instructions you should have received. They contain the link to access the session. If you are uncertain how to access a session or if you are experiencing problems using the service and require further information please contact us via e-mail [admin@alt.ac.uk](mailto:admin@alt.ac.uk) or call 01865 484 125.

### Sandbox session

If you would like to use our sandbox session to test your access to our Elluminate events, please follow the link to the sandbox session below and follow the instructions for first time users.

The session does not require a log-in or password, but you may be asked to enter you name.

<http://tinyurl.com/sandboxsession>

Information on how to use the service can also be found in the ALT Open Access Repository

<http://repository.alt.ac.uk/view/divisions/Webinars/2009.html> .

### Schedule of events

All online events and webinars, including CMALT webinars are listed on ALT's events webpage <http://www.alt.ac.uk/events.php> .

Once you have registered for any event you will be sent joining instructions via e-mail, including the link to access all online sessions.
